

NAVY COLLEGE NEWS NSA MID-SOUTH

APRIL 2003

NAVY COLLEGE STUDENT APPRECIATION DAY - THURSDAY, 17 APRIL

Navy College would like to say to our students "WE APPRECIATE YOU".

On Thursday, 17 April between 1600 and 1800, stop by Building S-241 for Student Appreciation Day activities. Come by and share any education success stories with us. Refreshments and prizes available.

TA WITHDRAWALS DUE TO MILITARY DUTIES - EXTENSION

The Navy's temporary "withdrawal due to military duty" procedures has been extended through 30 June 2003.

For the next three months (third quarter of FY03, April 03 through June 03) the following procedures apply:

a. Students must officially withdraw from classes to receive an involuntary "W" grade rather than a "F" grade. The Navy pays for the enrollment with an involuntary "W" grade, the student will not need to reimburse the government. If the student receives a "F" grade, regardless of the reasons for withdrawal, reimbursement is required.

b. Students must inform the Navy College Office that the withdrawal was due to military reasons.

NAVY COLLEGE 2003 COMMENCEMENT

The Navy College Office will host its 2003 Commencement Ceremony on Friday, 16 May at 1830 at the Pat Thompson Center. Both undergraduate and graduate degrees will be conferred from Park University, Southern Illinois University at Carbondale

University of Arkansas at Fayetteville and **Webster University** in Management, Computer Information Systems, Human Resource Management, Health Care Management, Industrial Technology, Operations Management, **Business Administration and Human Resources Management**. Captain Wanda Riddle, Commanding Officer, Naval Support Activity Mid-South will deliver the commencement address. Other platform guests include: Commander Eric Randall, Executive Officer, Naval Support Activity Mid-South and Commander Ralph Douglas, Command Chaplain, Naval Support Activity Mid-South.

HOW DOES THE SAILOR GET ENROLLED IN COLLEGE?

1. Visit your Navy College Office or the Navy College Program website at www.navycollege.navy.mil.
2. Request or access an unofficial copy of your SMART transcript.
3. Shop the different schools to determine which degree program best fits your needs.
4. Apply for admission to the college or university of your choice.
5. Start taking courses.

Initially no appointment is necessary to visit your local Navy College Office. Customer service hours are 0800 to 1630. We look forward to working with you to fulfill your educational requirements. Visit us at your earliest opportunity.

POLICY CHANGE - ALL TA NOW PAID UP-FRONT

ALL Navy TA will be paid up-front, regardless of course length. Effective 1 April 2003, Navy will no longer use the DANTES Reimbursable TA Program requiring Sailors to pay for courses up-front with reimbursement to Sailors occurring only after successful course completion.

Two advantages of this change is allowing sailors to receive funding up-front for all courses and allowing all TA funded courses to show on the SMART transcript.

GRANTHAM UNIVERSITY MILITARY SCHOLARSHIP PROGRAM

Active duty service members may now qualify to obtain a college degree - FREE OF CHARGE - for any of the degree programs available from Grantham University, a leading distance education institution of higher learning.

College degree programs are available in the following areas:

Business Administration

*Computer Science
Information Systems
Engineering Management
Software Engineering Technology
Computer Engineering Technology
Electronics Engineering Technology*

The Navy Tuition Assistance Program covers Grantham's tuition and the Grantham Military Scholarship Program covers the cost of textbooks and software, shipping, and the tuition remaining after TA benefits (TA pays \$250.00 per credit hour). Therefore, the cost of attending Grantham University could be zero to the service member.

For more information on Grantham's Military Scholarship Program, visit the following website: <http://www.grantham.edu/bus.htm> or call 1-800-955-2527.

GET READY FOR SUMMER SEMESTER 2003

Let Navy College help you plan for the summer semester so you can register for courses that best fit your schedule. All tuition assistance forms should be processed before the beginning of the term. Plan ahead and submit your TA at least two weeks prior to the class convening dates. Navy Tuition Assistance pays 100% of the tuition cost of any course taken from an accredited college or university. The Graduate Education Voucher Program is a limited, 24-month program for selected officers to attend a regionally accredited college or university during their off-duty hours to earn a masters degree in an approved subspecialty area. The Graduate Education Voucher will pay 100 % of the graduate education costs not to exceed \$20,000 a year, with certain restrictions on books and fees covered. Further details on the program can be obtained on the Navy College Program web site, <http://www.navycollege.navy.mil>.

For summer semester class schedules, visit or call your Navy College Office.

PARK UNIVERSITY Millington Center

PARK IS SERVICING - THOSE WHO SERVE

Park University began meeting the educational needs of our nation's service members in 1889 and continued by establishing the Military Resident Center System in 1972. For more than a hundred years we have helped military men and woman achieve their academic goals.

Today, Park serves military personnel and their families, offering complete degree programs on military installations or on-line. With Park's distance learning programs, anyone can pursue a degree online via the World Wide Web. Tuition assistance is available to active duty military. Active duty personnel, reservist, veterans and their

family members who are eligible, may apply for V. A. educational benefits. In addition, Financial Aid is also available. Registration has begun for our Summer Term (May 19 – July 23, 2003), stop by and let us help you get started on a degree.

For more information about Park drop by the office located in the Navy College Bldg. S-241 Rm. 134; call 872-4389, or visit our web site at www.park.edu.

CRICHTON COLLEGE

FINISH YOUR BACHELOR'S DEGREE WHILE AT NSA MID-SOUTH

While assigned to shore duty, take advantage of Crichton College's adult degree completion program and finish your Bachelor's degree. Attending class just one night a week is a perfect fit for working adults. A new class is forming now. Registration is scheduled for April 28, 2003, with classes beginning on May 5, 2003. Classes meet 5:30 - 9:30 p.m. Upon completion, you would earn a BS Degree in Organizational Management.

Visit our office at the Navy College, Bldg. S-241, Room 126 for a preliminary evaluation of your prior college credit and military experience. If you have at least 60 credits from a previous college and military credit, you are eligible to enroll. Call Joanna Simonton or Leslie Henderson at 873-0794 for information.

WEBSTER UNIVERSITY

Webster University offers three graduate programs: The Master of Business Administration, Master of Arts in Human Resource Management, and Master of Arts in Computer Resources and Information Management. The requirement for acceptance into the program is a bachelor's degree from a regionally accredited school. All programs consist of twelve courses (36 semester hours) including electives. Each course meets for four hours, one night per week for nine weeks. (Occasionally classes are held on Saturday. If so, the class hours will be published before the term begins.) There are five nine-week terms per year. If you choose to take one course per term, you can complete the program in 24 months. If you enroll in two courses per term, the completion time will be 15 months. These time frames are less if you have transferable credits.

**Course Schedule: Summer , 2003
May 26, 2003 - July 26, 2003**

	Course Description	Instructor	Days
Electives

Monday – Thursday classes are held from 5:30 p.m. - 9:30 p.m.

For additional information, contact Carol D. Nelson, Director or Connie Milner, Department Assistant or visit our web site. Feel free to drop by our office at the Navy College. Webster University is located in Room 124. Our office hours are Monday - Thursday 9:00 a.m. - 5:30 p.m. and Friday 9:00 a.m. - 2:00 p.m. We look forward to meeting you.

UNIVERSITY OF ARKANSAS

The University of Arkansas at Naval Support Activity Mid-South offers the Master of Science with a Major in Operations Management degree.

The University of Arkansas is proud to announce that we have 51 of 2002-2003 graduates. Most of these students plan to participate in the combined graduation scheduled for May 16, 2003 at the Pat Thompson Recreation Center. Of our 51 graduates, 24 completed the program in one year (five terms) with another 18 graduates completing our program in just six terms. We are also proud to announce that 42 of our graduates took advantage of our certification option and have earned at least one certificate during their studies.

Highlights of our program:

- ◆ **Only 10 courses – 1 required + 9 electives**
- ◆ **Degree can be completed in One Year**

- ♦ *Five 8-week terms per year – you can start any term*
- ♦ *All classes offered on base in the evenings*
- ♦ *No application fee*
- ♦ *No thesis*
- ♦ *Four Certification Options:*
 - *Business Management*
 - *Human Resource Management*
 - *Industrial Management*
 - *Safety and Health Care Management*

*For more information check out our website: www.opnsmgmt.uark.edu
Or contact Site Registrar at 872-2280 or uafgrad2@bigriver.net*

Apply now for Term 5: 14 May – 10 July 2003

SOUTHERN ILLINOIS UNIVERSITY HEALTH CARE MANAGEMENT

Anyone interested in registering for Southern Illinois University's Health Care Management program, call 872-8621 or email Jetty Wright at jettyw@siu.edu. Classes are accelerated and begin monthly. The Health Care Management classes are on alternate weekends and can be completed in 16 months. Your SIU Healthcare representative is located in Bldg. S-241, Room 133. The phone number is 872-8621.

SOUTHERN ILLINOIS UNIVERSITY INDUSTRIAL TECHNOLOGY

Southern Illinois University's Bachelor of Science in Industrial Technology is a management-oriented degree with a specialization in manufacturing. Classes are offered on alternate weekends, and you can complete the 16 core courses for the degree in 16 months. If you are interested in beginning the program, call the SIU office at 872-3815 or email us at itnsamem@bigriver.net.
